5. Valuable Suggestions in conclusion: Shri P. Chandrashekhar ji congratulated Dr. Sunita Madam for the events and activities undertaken by the Institutes and also for achieving the ISO 21001:2018 Certificates. Sir asked how the Institute is monetizing the relationships with the foreign Universities with which MOUs are signed. Dean Madam informed that a physical exchange had not yet happened in terms of Faculty or student exchange, but international webinars were conducted with speakers from the international universities including SSM Switzerland, ENAE Business School Spain and Leader's Institute Australia. Also, research papers were obtained from them for the International Research Conference. Also, students from Australia participated online in the Aditya Youth Conclave contest. Shri Dharmadhikari ji suggested making a prerequisite qualification mandatory for admissions to ASBM. He suggested to fix up a threshold and if the threshold is not crossed, admission should not be provided. Sir inquired about the placement details – percentage of students placed, average salary and maximum package. Sir also suggested that there should be some other sources of generating the revenue. Visiting faculty can be incentivized if they support in generating the revenues (by conducting MDP or giving live projects to the students etc.)

Chairman Sir advised that the frequency of Governing Council meetings should be fixed as three/six months. Trustee Shri Ashish Mishra ji advised to apply for NBA accreditation by September, 2023.

Sir asked how the Institute is monetizing the relationships with the foreign Universities with which MOUs are signed. Dean Madam informed that a physical exchange had not yet happened in terms of Faculty or student exchange, but international webinars were conducted with speakers from the international universities including SSM Switzerland, ENAE Business School Spain and Leader's Institute Australia. Also, research papers were obtained from them for the International Research Conference. Also, students from Australia participated online in the Aditya Youth Conclave contest. Shri Dharmadhikari ji suggested making a prerequisite qualification mandatory for admissions to ASBM. He suggested to fix up a threshold and if the threshold is not crossed, admission should not be provided. Sir inquired about the placement details – percentage of students placed, average salary and maximum package. Sir also suggested that there should be some other sources of generating the revenue. Visiting faculty can be incentivized if they support in generating the revenues (by conducting MDP or giving live projects to the students etc.)

Chairman Sir advised that the frequency of Governing Council meetings should be fixed as three/six months. Trustee Shri Ashish Mishra ji advised to apply for NBA accreditation by September, 2023.
